

# HYFEED EQUIMIN PLUS

HEALTHY SKIN, COAT, HOOVES

*Tracey  
Barintou*

**Equimin Plus** is a premium pelleted supplement designed to promote and maintain healthy skin, coat and hoof condition by providing the equine with the necessary vitamins and minerals for overall health and vitality. **Equimin Plus** contains Biotin which is needed to promote hoof growth and repair by stimulating horn production, not only in the coronary band but also in the laminae.

**Equimin Plus** incorporates Bioplex Zinc which is a chelated organic form of zinc that is highly available to equines. Zinc is a trace mineral that forms an essential part of many highly important enzyme systems involved in keeping equines healthy, fertile & performing at their maximum. It is involved in disease resistance, skin & coat condition & in structural soundness of the hoof & udder. Products high in Zinc and Copper, other hoof-helping elements, are helpful for keratin and collagen production.

**Hyfeed Equimin Plus** contains a comprehensive range of minerals and vitamins essential in meeting the requirements of all equines, making it the ultimate pelleted vitamin and mineral supplement available.

Suitable for equines of all ages, ensuring that regardless of age or workload, equines everywhere can receive the best.

- ✓ Concentrated vitamin and mineral supplement
- ✓ Can improve hoof, coat and skin conditions
- ✓ Economical, easy-to-feed pellet
